## REWARD YOUR CURIOSITY

In the UCLA College Division of Humanities, we believe imagination is a driving force that inspires creative solutions to the world's most vexing problems. Follow your curiosity and develop the skills today's employers are looking for:

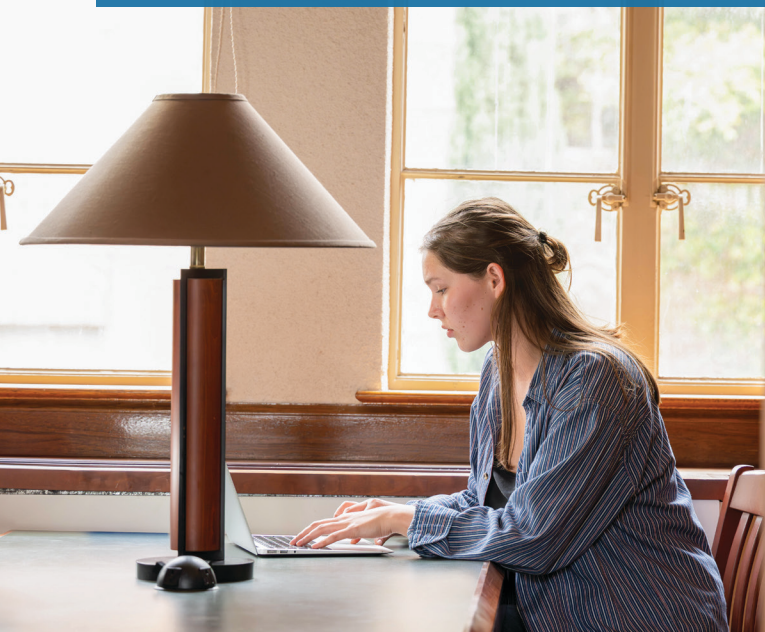

- Critical thinking
- Persuasive writing
- Problem-solving
- Communication
- Cultural awareness
- Global perspective
- Applied creativity
- Adaptability

## PREPARE FOR YOUR FUTURE

Work with world-renowned faculty, conduct research and apply what you learn through hands-on opportunities. With a UCLA Humanities degree, you'll be equipped to thrive in a wide range of sectors, including:

- Business and entrepreneurship
- Education
- Technology
- Finance
- Health
- Law
- Government
- Nonprofits and advocacy
- Arts
- Media

## TURN KNOWLEDGE INTO ACTION

Across a vast range of careers, UCLA Humanities graduates share a passion for seeking and applying knowledge in ways that forge connections, create new understanding and honor our shared humanity.

As a UCLA Humanities student, you'll find resources to support you on every step of your journey, including the chance to connect with and learn from inspiring Bruin alumni.

***Nationally, art history and philosophy grads have better employment prospects than STEM grads, according to a recent Federal Reserve Bank of New York analysis.***

## CHART YOUR OWN COURSE

### 44 Majors. 35 Minors. Countless Opportunities.

Follow your most deep-seated interests and goals into exciting areas of study.

**From World Languages...** Study Catalan or Chinese, Swedish or Swahili, or dozens of others. Discover the many ways that languages shape our understanding of the world.

**... to Digital Humanities...** Learn in-demand technologies and skills like digital mapping, information visualization, modeling and geospatial analysis to be equipped for success in the 21st-century workplace.

**... to Professional Writing...** Our popular professional writing minor will prepare you to communicate effectively with professional and lay audiences — an essential skill set whether your path includes the humanities, sciences, law, engineering, health or the arts.

**... and Beyond.**

## DEVELOP SKILLS FOR LIFE

### Internships

Apply what you learn in the classroom and gain real-world skills and experience.

### Research

Work alongside faculty on unique research projects with far-reaching impact.

### Study Abroad

Expand your worldview through study-abroad opportunities, many led by UCLA Humanities faculty.

### Community Engagement

Collaborate with local and global organizations working to build an equitable and just society.

### Scholarship Support

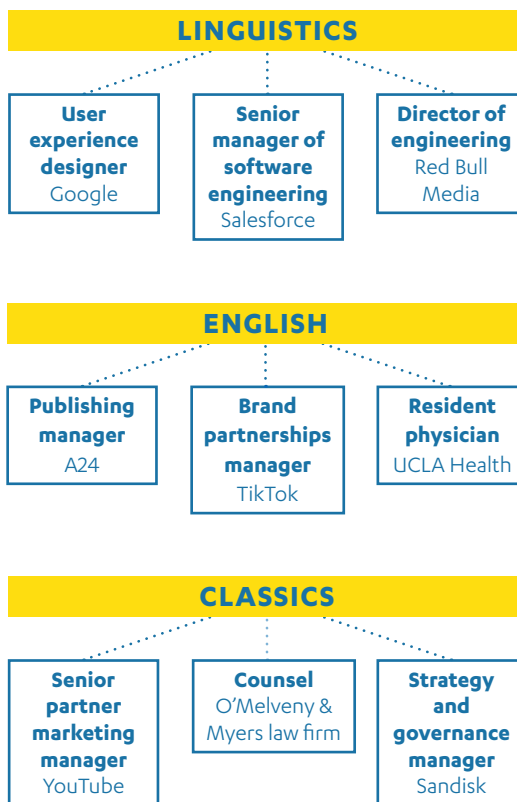

UCLA's Center for Scholarships and Scholar Enrichment supports students through every step of identifying and applying for financial support.

**"My time in European Languages and Transcultural Studies has enabled me to connect meaningfully with a language and a culture, build relationships that continue to shape me and grow more attuned to our increasingly interconnected world."**

**Ziyan Xie, German major**

## THEIR PATHS BEGAN IN HUMANITIES. YOURS CAN TOO

Rewarding work at leading organizations in an array of fields: These are just some of the jobs held by graduates from the following UCLA Humanities majors.

Scan this code to learn about all of our majors, minors, departments and centers.

## WHY UCLA HUMANITIES?

*"Studying philosophy and sociology inspired me to ask thoughtful questions, listen with empathy and challenge the systems that shape human behavior. Having also earned an MBA from UCLA, I can now bring those skills into the business world to build authentic relationships, lead with purpose and help solve society's most pressing challenges."*

**Joann Thach B.A. '14, MBA '25** | Senior Director, Community Impact, Trace3, an IT consulting firm

*"My degree in art history provided me with foundational knowledge I draw from nearly every day to write about art for newspapers, magazines and catalogues."*

**Evan Moffitt B.A. '14** | Writer, Editor and Critic | Digital Production Editor, The Observer

*"Studying the classics at UCLA led to a lifelong appreciation for ancient Greek and Roman art, literature and culture, which has enriched my life. If I had the decision to make over again, I wouldn't choose to study anything over classics as a UCLA undergraduate."*

**Dr. Kareem Tabsh B.A. '05, M.D. '13** | Maternal-Fetal Medicine Specialist
