

UCLA

FALL 2026 TRANSFER ADMISSION GUIDE

UCLA transfer

ADMISSION GUIDE

This guide serves as a primary resource in determining which courses to complete for major preparation.

Applicants from California community colleges should use this guide in conjunction with assist.org and admission.ucla.edu/transfer to determine which specific courses you should be taking at your institution. This guide is not a substitute or replacement for your college counselor, who can advise you about requirements for multiple universities.

UCLA Majors and Minors	30

UCLA

transfer admission

UCLA is committed to being a transfer-friendly institution. Strong academic preparation and performance make you a more competitive candidate during the admission review process. **The average GPA of admitted transfer students is above 3.5, and admitted students have completed most or all major preparatory courses.** We give the highest priority to applicants from California community colleges. UCLA admits students for fall quarter only.

WE PRACTICE A COMPREHENSIVE REVIEW THAT INCLUDES CONSIDERATION OF ACADEMIC AND PERSONAL CRITERIA

ACADEMIC REQUIREMENTS

- ✓ **Junior-level standing** (60 semester/90 quarter UC transferable units completed) **by the end of the spring term before you transfer**
- ✓ **UC transferable GPA of 3.2 or higher**
- ✓ **Completion of major preparation requirements by the end of spring prior to transfer; these courses must be taken for a letter grade**

Completion of the following by the end of spring prior to transfer:

- ✓ **Two (2) transferable courses in English composition/critical thinking and writing**
- ✓ **One (1) transferable math course**
- ✓ **Four (4) transferable college courses** in at least two of the following subject areas: arts and humanities, social and behavioral sciences, physical and biological sciences

PERSONAL FACTORS

Examples include, but are not limited to, the following:

- Employment while attending school
- Involvement in campus organizations and community service
- Family responsibilities
- Significant improvement in academics over time
- Military service
- Other opportunities or challenges that may have shaped your educational experiences

APPLYING TO UCLA

In the application, we look for intellectual curiosity and an interest in personal development. UCLA is a dynamic place due to our creative, ambitious, and diverse student body. We anticipate that the applicants we admit will continually contribute to the intellectual vitality, cultural life, and diversity of UCLA.

WHERE TO APPLY

The **UC Application** can be completed online at apply.universityofcalifornia.edu

SECTIONS OF THE APPLICATION

1. About you
2. Campuses and majors
3. Academic history
4. Exam scores
5. Activities and awards
6. Scholarships and programs
7. Personal insight questions

2026 APPLICATION TIMELINE

UC APPLICATION TIPS

- ▶ Report all institutions attended and courses on the UC application exactly as they appear on your transcript(s); including nontransferable courses, withdrawals, repeated courses, academic renewal, college courses taken while in high school, etc.
- ▶ Report your high school's language of instruction, if other than English.
- ▶ Explain any gaps in education.
- ▶ Submit a Transfer Academic Update (TAU) to report your final fall grades and planned winter/spring schedule. All applicants must submit a TAU by the January 31st priority deadline.
- ▶ Withdrawals, incomplete grades and academic renewals are not necessarily viewed negatively. Provide an explanation in the academic or additional comments section.

TRANSFER ADMISSION RESOURCES

Go to admission.ucla.edu/transfer for the most updated transfer information, including statistical information.

ASSIST (assist.org) provides detailed information on transferable courses, major prep requirements, and course articulation for students transferring from California Community Colleges.

UC Transfer Admission Planner (UC TAP) is an online tool designed to help prospective UC students track and plan their coursework with counselors and UC representatives. Visit uctap.universityofcalifornia.edu to learn more.

Advanced Placement (AP) and International Baccalaureate (IB) Credit: admission.ucla.edu/apply/transferring-credits

Center for Community College Partnerships (CCCP) cccp.ucla.edu

UCLA Catalog catalog.registrar.ucla.edu

Student Transfer Outreach & Mentor Program (STOMP) admission.ucla.edu/stomp

UCLA Transferability Guide gives guidance on the types of courses that are likely to meet admission requirements and be transferable to UCLA. Admission staff cannot pre-evaluate courses. admission.ucla.edu/transferability

Transferology (transferology.com) may be consulted to view how coursework is articulated from schools other than California Community Colleges to UCLA. NOTE: Transferology is an advisory tool only and does not guarantee transferability.

PERSONAL INSIGHT QUESTIONS

The **UC Application** asks all transfer applicants to answer one required question, and three out of seven additional questions. The Personal Insight Questions offer us an opportunity to learn more about you and to understand the experiences, accomplishments, and points of view you would bring to UCLA's undergraduate student community.

- Each response is limited to a maximum of 350 words.
- Respond to the three questions that are **most relevant to your experience** and that best reflect your individual circumstance.
- All questions are given equal consideration in the application review process. **There is no advantage or disadvantage to choosing certain questions over others.**

REQUIRED TRANSFER APPLICANT QUESTION

Please describe how you have prepared for your intended major, including your readiness to succeed in your upper-division courses once you enroll at the university.

ADDITIONAL QUESTIONS

1. Describe an example of your leadership experience in which you have positively influenced others, helped resolve disputes, or contributed to group efforts over time.
2. Every person has a creative side, and it can be expressed in many ways: problem solving, original and innovative thinking, and artistically, to name a few. Describe how you express your creative side.
3. What would you say is your greatest talent or skill? How have you developed and demonstrated that talent over time?

4. Describe how you have taken advantage of a significant educational opportunity or worked to overcome an educational barrier you have faced.

5. Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge. How has this challenge affected your academic achievement?

6. What have you done to make your school or your community a better place?

7. Beyond what has already been shared in your application, what do you believe makes you stand out as a strong candidate for admissions to the University of California?

Special Instructions for Veterans

UCLA is interested in learning about your military service and how it may have shaped your educational path. You may choose to discuss your military experience in your personal insight question responses or any other relevant section.

PIQ Writing Tips

admission.universityofcalifornia.edu/how-to-apply/applying-as-a-transfer/personal-insight-questions.html

tips for becoming a strong applicant

- ✔ Complete the math and **at least one** of the English composition courses with letter grades by the **end of fall term prior** to transfer.
- ✔ Complete major prerequisites as early as possible. It is strongly recommended you complete major preparation for highly selective majors such as **Business Economics, Communication, Economics and Psychology** by the fall term prior to transferring.
- ✔ Meet with a community college counselor to check for transferable coursework, limitations, duplicate courses and other restrictions to avoid being deficient in units and/or requirements.*
- ✔ Complete the correct course sequence for certain subjects, depending on your major. For example, if your major requires calculus, be sure you are taking the correct sequence as listed on the major agreement.*
- ✔ Review your AP or IB credits to determine if they will transfer and if they will satisfy certain UC 7-course pattern and/or UCLA major preparation requirements.

- ✔ Prioritize completing eligibility and major preparation requirements before IGETC/CalGETC. They are not required for admission to any major with the exception of majors in the School of Nursing and the School of Theater, Film and Television.
- ✔ You may satisfy major preparation for majors that require foreign language with any of the following:
 - College-level foreign language courses
 - AP/IB exams with an appropriate score
 - If you attended a high school where the language of instruction is a language other than English (typically high school outside the U.S.)

High school foreign language courses will NOT satisfy major preparation requirements for admission purposes.

**California community college (CCC) students can refer to assist.org. Non-CCC students can refer to the UCLA course descriptions, catalog, or academic department website, in addition to www.transferology.com.*

UCLA'S MOST APPLIED TO MAJORS

Many of UCLA's most applied to majors are also the most highly selective. * Explore different major options and consider supplementing your academic experience with a minor. Data is based on a three-year average 2023–2025.

MOST APPLIED TO MAJORS	APPS	ADMIT RATE	OTHER MAJOR OPTIONS	RELATED MINOR
BUSINESS ECONOMICS	3068	11%	• FINANCIAL ACTUARIAL MATHEMATICS • INTERNATIONAL DEVELOPMENT STUDIES	• Entrepreneurship
PSYCHOLOGY	2309	22%	• COGNITIVE SCIENCE • LINGUISTICS AND PSYCHOLOGY	• Applied Developmental Psychology
COMPUTER SCIENCE	1846	4%	• DATA THEORY • LINGUISTICS AND COMPUTER SCIENCE	• Data Science Engineering
SOCIOLOGY	1189	42%	• CHICANA AND CHICANO STUDIES • AFRICAN AMERICAN STUDIES	• LGBTQ Studies
POLITICAL SCIENCE	1341	39%	• HISTORY • PUBLIC AFFAIRS	• Labor Studies
ECONOMICS	1341	18%	• MATHEMATICS/ECONOMICS • PUBLIC AFFAIRS	• Accounting
BIOLOGY	1109	20%	• COMPUTATIONAL BIOLOGY • MOLECULAR, CELL AND DEV. BIOLOGY	• Biomedical Research
COMMUNICATION	1139	12%	• LINGUISTICS • COMPARATIVE LITERATURE	• Digital Humanities
FILM AND TELEVISION	632	2%	• ENGLISH • ANTHROPOLOGY B.A.	• Film, Television and Digital Media
ENGLISH	579	57%	• AMERICAN LITERATURE AND CULTURE • LINGUISTICS AND ENGLISH	• Creative Writing

*Highly selective majors are those for which the demand significantly exceeds the space available. This list does not include all highly selective majors. For a complete list of majors and admission information visit the **Transfer Student Profile** at: admission.ucla.edu/apply/transfer/transfer-profile

THE UCLA COLLEGE
college.ucla.edu

The completion of major preparation is a critical part of the admission process and courses must be taken for a letter grade.

- Complete required major preparation courses first, then focus on the strongly recommended or additional courses. See assist.org for more information on major prerequisites.
- If your chosen major does not have specific prerequisites, we expect you to demonstrate academic interest by completing courses related to the major. Additionally, you can elaborate on your interest in the major in the Personal Insight Question responses and Activities section of the UC Application.

FOUR ACADEMIC DIVISIONS WITHIN THE UCLA COLLEGE

Humanities

Lover of the arts, literature, and culture?

consider these majors

- Art History
- English
- Linguistics
- European Languages and Transcultural Studies

Physical Sciences

Interested in the way things work?

consider these majors

- Chemistry
- Data Theory
- Engineering Geology
- Environmental Science
- Astrophysics

Life Sciences

Fascinated by life, from the single cell to the human body?

consider these majors

- Anthropology, B.S.
- Neuroscience
- Molecular, Cell and Developmental Biology

Social Sciences

Intrigued by people and the institutions they create?

consider these majors

- Asian American Studies
- Geography
- Public Affairs*
- Education and Social Transformation*
- Gender Studies

*majors not in the College

major requirements

LEGEND

- SEL** Highly selective majors: Demand for the major significantly exceeds space available.
- PRE** Pre-major: Students are classified as such until lower-division preparation courses are completed at UCLA. Refer to the department website for more information.
- !** You must be admitted directly to the major. You will not be able to change into this major after admission to UCLA.
- !** High school foreign language classes will NOT satisfy major preparation requirements.
- *** If the chosen major does not have existing prerequisites, applicants must demonstrate sincere and significant interest in the major throughout the application (i.e. PIQ responses, comment section, activities, employment, etc.).

MORE INFO

For more information on deciding on a major and major requirements, please visit: admission.ucla.edu/apply/transfer/deciding-on-major

AMERICAN INDIAN STUDIES

American Indian studies

Two courses from:

- Sociocultural anthropology
- American politics
- Statistics
- Introduction to gender studies

AMERICAN LITERATURE AND CULTURE

English composition

Critical reading and writing

Introduction to American cultures

Topics in American cultures

ANCIENT NEAR EAST AND EGYPTOLOGY *

One civilization course on Mesopotamia, Egypt, Near Eastern archaeology, or Middle Eastern cultures

NOTE: If these courses are not available, applicants must demonstrate sincere interest in the major.

ANTHROPOLOGY (B.A.)

Human evolution

Archaeology

Sociocultural anthropology

Culture and communication

ANTHROPOLOGY (B.S.) !

Six or more courses from:

- Archaeology
- Calculus
- Calculus-based physics with lab
- Culture and communication
- Human evolution
- General biology with lab
- General chemistry with lab
- Sociocultural anthropology
- Statistics

AFRICAN AMERICAN STUDIES

African American studies

Civilizations of Africa

If your school does NOT offer an approved course, you must complete one transferable course related to African American studies. Related courses in history, psychology, sociology, literature, etc. are sufficient for admissions purposes.

AFRICAN AND MIDDLE EASTERN STUDIES !

One year of Arabic, Armenian, Hebrew, Persian, Turkish or African language

Two or more courses from:

- Art history
- Comparative politics
- Contemporary culture
- Contemporary world history
- Cultural geography
- History (post-1750) of Africa or the Middle East
- Economic geography
- Introductory sociology
- Microeconomics
- Sociocultural anthropology
- World literature

ART HISTORY

Two courses from:

- Ancient art
- Renaissance and Baroque art
- Museum studies
- Indian/Southeast Asian art
- Pre-Columbian art
- Medieval art
- Modern art
- African art
- Chinese art
- Japanese art

ASIAN AMERICAN STUDIES

Asian American studies

Asian Americans or ethnic studies

ASIAN LANGUAGES AND CULTURES MAJORS

ASIAN HUMANITIES

One year of Chinese, Japanese, Korean, Filipino/
Tagalog, Hindi, Indonesian, Thai, or Vietnamese

One course from:

- Asian civilization
- Introduction to Buddhism
- Introduction to Asian religions

ASIAN LANGUAGES AND LINGUISTICS

One year of Chinese, Japanese, Korean, Filipino/
Tagalog, Hindi, Indonesian, Thai or Vietnamese

Asian civilizations or Asian religions

Introduction to linguistic analysis

ASIAN RELIGIONS

One year of Chinese, Japanese, Korean, Filipino/
Tagalog, Hindi, Indonesian, Thai, or Vietnamese or
one year of Sanskrit

Introduction to Buddhism or introduction to Asian
religions

CHINESE • JAPANESE • KOREAN

One year of the declared language

Asian civilizations

SOUTHEAST ASIAN STUDIES

One year of Filipino, Indonesian, Thai or Vietnamese

Introduction to Southeast Asian studies

One course from:

- Languages and cultures of Asia
- Introduction to Buddhism/Zen Buddhism
- Introduction to Southeast Asian religions
- Modern Southeast Asian literature

NOTE: For all Asian languages and cultures majors, one year of high school in which the primary language of instruction was an Asian language may be used to satisfy the language requirement for admission purposes. Completion of two years of college level foreign language is strongly recommended.

ASIAN STUDIES

One year of an Asian language (e.g., Chinese, Japanese,
Korean, Tagalog, Vietnamese, Hindi/Urdu, etc.)

Two or more courses from:

- Chinese art
- Asian religions
- Sociocultural anthropology
- Contemporary world history
- Comparative politics
- Macroeconomics
- Introductory sociology
- Asian civilization (Chinese, Korean, or Japanese)
- Indian/Southeast Asian art
- History of Asia (post-1750)
- Cultural geography
- World literature
- Economic geography
- Microeconomics

NOTE: One year of high school in which the primary language of instruction was an Asian language may be used to satisfy the language requirement for admission purposes. Completion of two years of college level foreign language is strongly recommended.

ASTROPHYSICS

Required courses:

- One and a half years of calculus through multivariable
- Linear algebra
- One year of calculus-based physics (mechanics, electricity, magnetism)

Strongly recommended courses:

- Differential equations
- Additional calculus-based physics
- Two courses in astrophysics (stars, nebulae, stellar evolution, galaxies, and cosmology)
- Computer programming

ATMOSPHERIC AND OCEANIC SCIENCES

Required courses:

- One year of calculus
- One year of calculus-based physics
- One year of general chemistry with lab

Strongly recommended courses:

- C++ programming or MATLAB for geoscientists
- Climate science
- Undergraduate research in atmospheric and oceanic sciences

ATMOSPHERIC AND OCEANIC SCIENCES/MATHEMATICS

Required courses:

- One and half years of calculus through multivariable
- One year of calculus-based physics

Strongly recommended courses:

- C++ programming course or MATLAB for geoscientists
- Climate science
- Undergraduate research in atmospheric and oceanic sciences
- Linear algebra
- Differential equations

BIOCHEMISTRY

Required courses:

- One year of calculus
- One year of general chemistry with lab
- One year of biology with lab (cellular, molecular, genetic)
- One year of organic chemistry with lab

Strongly recommended courses:

- One year of calculus-based physics
- Multivariable calculus
- Linear algebra

BIOPHYSICS

Required courses:

- One and a half years of calculus through multivariable
- Linear algebra
- One year of calculus-based physics (mechanics, electricity, magnetism, etc.)

Strongly recommended courses:

- One year of general chemistry
- Biology with lab (cellular, molecular)
- Differential equations
- Additional calculus-based physics course

BUSINESS ECONOMICS SEL PRE !

Microeconomics
Macroeconomics
One year of calculus
(from math/physical science sequence)
Introduction to financial accounting
Introduction to managerial accounting

NOTE: Students are STRONGLY ENCOURAGED to complete all preparatory courses by the end of fall prior to transfer.

CENTRAL AND EAST EUROPEAN LANGUAGES *
AND CULTURES

Introduction to Central, Eastern Europe and Slavic civilization.

CHEMISTRY MAJORS !

CHEMISTRY • CHEMISTRY-MATERIALS SCIENCE
Required courses for both majors:

- One and a half years of calculus through multivariable
- Linear algebra
- One year of general chemistry with lab
- Organic chemistry with lab
- Calculus-based physics with lab

Additional recommended courses prior to transfer:

CHEMISTRY:

- A second semester of calculus-based physics with lab
- A second semester of organic chemistry with lab

CHEMISTRY-MATERIALS SCIENCE:

- Two additional semesters of calculus-based physics with lab

CHICANA AND CHICANO STUDIES !

One year of Spanish
Chicana/Chicano history and culture
Chicana/Chicano social structure and contemporary conditions

NOTE: One year of high school in which the primary language of instruction was Spanish may be used to satisfy the language requirement for admission purposes. Completion of two years of college level foreign language is strongly recommended.

CLASSICAL CIVILIZATION *

One year of Greek or Latin
Two courses from:

- Classical mythology
- Classical archaeology
- Greek or Latin literature in translation
- Classical Greek culture
- Roman civilization

CLIMATE SCIENCE

Required courses:

- One year of calculus
- Calculus-based physics
- General chemistry with lab
- Statistics

Strongly recommended courses:

- Additional calculus-based physics
- Programming (Python)

COGNITIVE SCIENCE PRE !

One year of calculus
Introduction to C++
Four or more additional courses from:

- Introductory psychology
- Introductory biology or biology for the major
- Introductory physics, chemistry, or linguistics
- Philosophy (critical reasoning, philosophy of science, or philosophy of the mind)
- Intermediate C++ programming
- Additional computer programming course

COMMUNICATION SEL

Introduction to mass and interpersonal communication
Principles of public speaking
Introduction to linguistics, meaning of communication, or culture in communication
Statistics
Three courses from:

- Introductory psychology
- Introduction to American government/politics
- Introductory sociology
- Microeconomics or intro to political economy

A minimum UC-transferable GPA of 3.70 and a minimum of four major prep courses must be completed by end of fall before transfer.

NOTE: If two courses are listed in ASSIST as equivalents of COMM 10, then both courses must be completed at the same institution in order to satisfy this major requirement.

COMPARATIVE LITERATURE

English composition
Critical reading and writing
Two survey courses in world or English literature

NOTE: Students must demonstrate one year of proficiency in a foreign language. Completion of two years of a foreign language is highly recommended.

COMPUTATIONAL BIOLOGY PRE

One year of general chemistry with lab
One and a half years of calculus through multivariable
Two or more courses from:

- Linear algebra
- Differential equations
- One and a half years of calculus-based physics (mechanics, electricity, magnetism, etc.)
- One year of biology with lab
- Intro to computer science or computer programming
- Statistics (equivalent to UCLA’s Stats 10 or Life Sciences 40)

DATA THEORY PRE !

Required courses:

- One and a half years of calculus through multivariable
- Linear algebra or differential equations
- Statistics

Strongly recommended courses:

- Linear algebra
- Differential equations
- Introduction to C++

DISABILITY STUDIES PRE

Social theory or introduction to sociology
Race, identity and society
Humanities and ethics
Data analytics/statistics

EARTH AND ENVIRONMENTAL SCIENCE

Required courses:

- Earth science
- One year of general chemistry with lab
- Calculus

Strongly recommended courses:

- Biology with lab (evolution)
- Calculus-based physics with lab (mechanics)

ECONOMICS SEL PRE !

Microeconomics

Macroeconomics

One year of calculus (from math/physical science sequence)

NOTE: Students are STRONGLY ENCOURAGED to complete all preparatory courses by the end of fall prior to transfer.

ENGINEERING GEOLOGY

Required courses:

- Earth science
- One year of general chemistry with lab
- One year of calculus

Strongly recommended courses:

- Calculus-based physics with lab

ENGLISH

English composition

Critical reading and writing

One year survey of literature in English

- British literature to 1850
- Either British literature from 1850 or survey of American literature

Strongly recommended: Two years of a foreign language or a combination of three foreign language and two foreign literature in translation courses.

ENVIRONMENTAL SCIENCE !

Required courses:

- Statistics
- One year of calculus
- One year of general chemistry with lab
- One year of general biology with lab (evolution, cellular)

Strongly recommended courses:

- One year of calculus-based physics (mechanics, electricity and magnetism)
- Organic chemistry
- Third semester of calculus
- General biology with lab (molecular)

EUROPEAN LANGUAGES AND TRANSCULTURAL STUDIES MAJORS

EUROPEAN AND TRANSCULTURAL LANGUAGE

FRENCH AND FRANCOPHONE

GERMAN

ITALIAN

SCANDINAVIAN

One year of the declared language or at least one year of high school in which the primary language of instruction was the declared language

One course in European literature, culture, film or media

EUROPEAN STUDIES

One year of a modern European language other than English

Two or more courses from:

- History of Europe (post-1750)
- French literature
- Russian film
- French culture/civilization
- Russian literature
- Sociocultural anthropology
- Cultural geography
- Contemporary world history
- World literature
- Comparative politics
- Macroeconomics
- Introductory sociology
- Economic geography
- Microeconomics

NOTE: One year of high school in which the primary language of instruction was a modern European language may be used to satisfy the language requirement for admission purposes. Completion of two years of college level foreign language is strongly recommended.

GENDER STUDIES

One multidisciplinary gender studies course

If your school does NOT offer an approved course, you must complete one transferable course related to gender/ women. Courses in history, psychology, sociology, literature, anthropology, etc. related to women/gender are sufficient for admissions purposes.

GEOGRAPHY

Physical geography or biogeography

Cultural, economic or world regions geography

Statistics

GEOGRAPHY/ENVIRONMENTAL STUDIES

Physical geography or biogeography

Cultural, economic, or world regions geography

People and ecosystems

Statistics

GEOLOGY

Required courses:

- Earth science
- One year of general chemistry with lab
- Calculus

Strongly recommended courses:

- One additional semester of calculus

GEOPHYSICS

Required courses:

- Earth science
- One year of calculus
- Calculus-based physics with lab

Strongly recommended courses:

- Third semester of calculus
- Second semester of calculus-based physics with lab

GLOBAL STUDIES SEL PRE

At least six courses from:

- Introduction to globalization
- Statistics
- Foreign language
- Sociocultural anthropology
- Cultural geography
- Global music
- World literature
- Culture and communication
- Introduction to gender studies
- History of Asian Americans
- Introduction to Chicana/o studies
- World civilizations and cultures
- Contemporary world history or history of Africa
- Comparative world politics or political theory
- Introduction to sociology
- Economic geography
- Environment and sustainability
- Microeconomics or macroeconomics

NOTE: No more than one semester of foreign language may be used toward required major preparation. High school language instruction is NOT acceptable to meet major preparation requirements.

HISTORY PRE

Two or more history courses from:

- United States
- Europe
- Africa
- Asia
- Latin America
- Near/Middle East
- Science and technology

NOTE: Completion of at least three courses is strongly recommended.

HUMAN BIOLOGY AND SOCIETY (B.A.) SEL PRE

At least five courses from:

- Human evolution
- One year of biology with lab (evolution, cellular)
- Statistics
- General chemistry
- Philosophy
- Introduction to gender studies
- Sociocultural anthropology
- Cultural geography
- Introduction to sociology
- Introduction to Chicana/Chicano studies

INTERNATIONAL DEVELOPMENT STUDIES PRE

- A minimum of six courses from:**
- International development studies
 - Microeconomics or macroeconomics
 - Statistics
 - Foreign language
 - Sociocultural anthropology
 - Cultural or regional geography
 - Introduction to globalization
 - Introduction to international and area studies
 - Contemporary history/culture of a developing region
 - Comparative or world politics
 - Introduction to sociology
 - Introductory gender studies

NOTE: No more than one semester of foreign language may be used toward required major preparation. High school language instruction is NOT acceptable to meet major preparation requirements.

JEWISH STUDIES *

- Social, cultural, and religious institutions of Judaism**
- Students intending to enter the Jewish religion,**
- Jewish literature & culture, or Israeli studies track:**
- One year of Hebrew language

LABOR STUDIES *

- Interdisciplinary labor history**
- Social structure and contemporary conditions related to labor and/or social movements**
- Two courses from:**
- Intro to Black studies
 - History of Asian Americans
 - Asian American movement
 - Intro to Chicano/a studies
 - Intro to gender studies
 - Modern Latin America
 - Globalization: regional development and world economy

LANGUAGE MAJORS

- | | |
|---|--------------------------------|
| ARABIC | AFRICAN LANGUAGES |
| GREEK | GREEK AND LATIN |
| IRANIAN STUDIES | LATIN |
| SPANISH | SPANISH AND LINGUISTICS |
| SPANISH AND PORTUGUESE | |
| PORTUGUESE AND BRAZILIAN STUDIES | |
| RUSSIAN LANGUAGE AND LITERATURE | |

- Required courses for all language majors:**
- One year of courses in the declared language

NOTE: One year of high school in which the primary language of instruction was the declared language may be used to satisfy the language requirement for admission purposes. Completion of two years of college level foreign language is strongly recommended.

LATIN AMERICAN STUDIES

- Required courses:**
- One year of Spanish or Portuguese**
- (or an indigenous language of Latin America)
- One course from:**
- History of Latin America (colonial)
 - History of Latin America (modern)
 - Latin American cultures
 - Sociocultural anthropology
 - Cultural geography
 - Contemporary world history
 - World literature
 - Comparative politics
 - Economic geography
 - Microeconomics
 - Macroeconomics
 - Introductory sociology

NOTE: One year of high school in which the primary language of instruction was Spanish or Portuguese may be used to satisfy the language requirement for admission purposes. Completion of two years of college level foreign language is strongly recommended.

LIFE SCIENCES MAJORS SEL !

- BIOLOGY**
- ECOLOGY, BEHAVIOR AND EVOLUTION**
- HUMAN BIOLOGY AND SOCIETY (B.S.)** PRE
- MARINE BIOLOGY**
- MICROBIOLOGY, IMMUNOLOGY AND MOLECULAR GENETICS**
- MOLECULAR, CELL AND DEVELOPMENTAL BIOLOGY**
- NEUROSCIENCE**
- PHYSIOLOGICAL SCIENCE**
- PSYCHOBIOLOGY** PRE

- Required courses:**
- One year of biology with lab for the major
 - One year of calculus
 - One year of general chemistry with lab
 - Organic chemistry with lab

- Strongly recommended courses:**
- A second semester of organic chemistry
 - One year of calculus-based physics (mechanics, electricity and magnetism)

LINGUISTICS MAJORS

- APPLIED LINGUISTICS**
- LINGUISTICS**
- LINGUISTICS AND ANTHROPOLOGY**
- LINGUISTICS AND ASIAN LANGUAGES & CULTURES**
- LINGUISTICS AND COMPUTER SCIENCE**
- LINGUISTICS AND ENGLISH**
- LINGUISTICS AND PHILOSOPHY**
- LINGUISTICS AND PSYCHOLOGY**
- LINGUISTICS AND SPANISH**

- Required courses for all linguistics majors:**
- One year of foreign language
- Strongly recommended courses:**
- Introduction to linguistics

NOTE: One year of high school in which the primary language of instruction was the declared language may be used to satisfy the language requirement for admission purposes. Completion of two years of college level foreign language is strongly recommended.

Additional requirements for each major can be found at linguistics.ucla.edu.

MATHEMATICS MAJORS PRE

- MATHEMATICS**
- APPLIED MATHEMATICS**
- MATHEMATICS OF COMPUTATION**
- FINANCIAL ACTUARIAL MATHEMATICS** SEL
- MATHEMATICS/APPLIED SCIENCE**
- MATHEMATICS/ECONOMICS** SEL
- MATHEMATICS FOR TEACHING**

- Required courses for all mathematics majors:**
- One and a half years of calculus through multivariable
 - Linear algebra OR differential equations
- Strongly recommended courses:**
- Complete the full calculus series including linear algebra and differential equations
 - Introduction to C++

Additional requirements for the mathematics majors can be found at math.ucla.edu.

MIDDLE EASTERN STUDIES

- One year of modern Middle Eastern language**
- Two courses from:**
- History of the Middle East
 - Survey of religious, political and cultural history of Jerusalem
 - Survey of great civilizations of ancient Near East
 - Origins of Judaism, Christianity, and Islam
 - Survey of modern Middle Eastern cultures

NOTE: One year of high school in which the primary language of instruction was a modern Middle Eastern language may be used to satisfy the language requirement for admission purposes.

NORDIC STUDIES *

There are no preparation courses required, but applicants must demonstrate sincere interest in the major. Completion of IGETC/CalGETC or the General Education course pattern at your college is strongly recommended. For more information regarding major preparation, please visit, elts.ucla.edu/b-a-in-elts-nordic-studies/.

PHILOSOPHY

Philosophy of the mind or skepticism and rationality
Ethical theory
Symbolic logic
Additional introductory philosophy course
(e.g., contemporary moral issues, Western philosophy, introduction to philosophy, etc.)

PHYSICS (B.A. & B.S.) !

- Required courses:
- One and a half years of calculus through multivariable
 - Linear algebra
 - One and a half years of calculus-based physics (mechanics, electricity, magnetism, etc.)
- Strongly recommended courses:
- Differential equations
 - General chemistry
 - Computer programming

POLITICAL SCIENCE SEL PRE

- Three courses from:
- Introduction to political theory
 - International relations/world politics
 - Introduction to American government/politics
 - Introduction to comparative politics
 - Politics and strategy
 - Diversity and disagreement
 - Statistics

NOTE: Only approved statistics courses can satisfy the major requirement. See assist.org.

PSYCHOLOGY SEL PRE !

Introductory psychology
Introductory biology or biology for the major
Introductory physics or chemistry
Philosophy
Quantitative reasoning course in statistics, finite mathematics, calculus, computer science theory, or programming in C++

NOTE: Students are STRONGLY ENCOURAGED to complete all preparatory courses by the end of fall prior to transfer.

RUSSIAN STUDIES

One year of Russian
Introduction to Russian civilization

NOTE: One year of high school in which the primary language of instruction was Russian may be used to satisfy the language requirement for admission purposes.

SOCIOLOGY SEL PRE
Introduction to sociology
Statistics

SPANISH AND COMMUNITY AND CULTURE
One year of Spanish
Spanish civilization
Spanish American civilization

NOTE: One year of high school in which the primary language of instruction was Spanish may be used to satisfy the language requirement for admission purposes. Completion of two years of college level Spanish is strongly recommended.

STATISTICS AND DATA SCIENCE SEL PRE
Statistics
One and a half years of calculus through multivariable
Linear algebra

NOTE: Only approved statistics courses can satisfy the major requirement (see assist.org articulation agreement by major). If your school does NOT offer an approved course, you must still complete one transferable statistics course to be considered for this major.

STUDY OF RELIGION
History of religion
Philosophy of religion
Two courses from:

- Introduction to Buddhism
- Sociocultural anthropology
- Western civilization
- Civilizations of Africa
- History of China, Japan, India, or Middle East

FIELDING SCHOOL OF PUBLIC HEALTH

ph.ucla.edu
undergrad_admissions@ph.ucla.edu | (310) 825-6381

PUBLIC HEALTH B.A. PUBLIC HEALTH B.S.

- SEL All majors are highly selective
PRE Pre-major: Students are classified as such until lower-division preparation courses are completed at UCLA
! You must be admitted directly to the school of public health

The B.A. in Public Health and B.S. in Public Health train in public health concepts and approaches, including defining issues, assessing populations, gathering evidence, analyzing data and evaluating public health efforts. Through coursework and a two-quarter capstone experience, students in both majors are equipped to pursue multiple career pathways or seek further graduate studies in the health sciences depending on their interests.

PUBLIC HEALTH B.A.

The B.A. in Public Health is best suited for students who are interested in artistic, business, economic, legal, linguistic, media and policy applications of public health, and need a scientific background to understand the health factors involved.

- Required courses:
- Cell and molecular biology or life: concepts and issues
 - Chemical structure or chemical principles
 - Statistics

- Strongly recommended courses:
- Principles of oral communication or writing II
 - Health and society
 - Cultural competency/diversity

PUBLIC HEALTH B.S.

The B.S. in Public Health is best suited for students interested in science-based approaches to public health.

- Required courses:
- One year of biology with lab
 - One year of general chemistry with lab
 - One year of calculus for the life sciences
 - Statistics
 - Organic chemistry

- Strongly recommended courses:
- One year of physics for life sciences with lab
 - Oral communication or writing II
 - Cultural diversity or health and society

KEY POINTS

- Minimum GPA: 3.2
- IGETC/CalGETC Required: No, but strongly encouraged
- Double major possible: No
- Supplemental application required: No

SCHOOL OF THE ARTS AND ARCHITECTURE

arts.ucla.edu
admissions@arts.ucla.edu

ARCHITECTURAL STUDIES

ART

DANCE

DESIGN | MEDIA ARTS

WORLD ARTS AND CULTURES

- SEL** All majors are highly selective
- !** You must be admitted directly to the school of arts and architecture

The UCLA School of the Arts and Architecture offers interdisciplinary programs in art, architecture, design, media, and performance, emphasizing creativity and critical thinking. It provides students with numerous opportunities for collaboration, research, and public engagement, fostering leadership in the creative industries. Applicants are considered on the basis of academic achievement as well as supplemental materials specific to each major.

ARCHITECTURAL STUDIES

Recommended preparation for the major:

- Two courses in the history of architecture
Pre-history–Mannerism and 1600–present
- One introduction to architectural studies course

ART

Recommended preparation for the major:

- One course in each of the following: drawing; sculpture; painting; photography; ceramics; and new genres (performance art, video art, installation, non-studio work).
- Four courses (total) in art history. Three of the four should cover the following art historical periods (one each): 1850s – 1920s, 1920s – 1960s, 1960s – present; at least one of the four should include significant representation of non-European/North American art historical traditions.

KEY POINTS

- **Minimum GPA: 3.0** at the time of application
- **IGETC/CalGETC Required: No**, but strongly encouraged
- **Double major possible: Yes**, it is possible to double major with a major in the College, but it can be challenging due to the high number of course requirements in most UCLA Arts majors. Double major requests are considered on a case-by-case basis.
- **Supplemental application required: YES**, varies by major (e.g., portfolio or audition, artist statements, and other materials as requested; additional fees may apply). See arts.ucla.edu/apply for details.
- **Supplemental application deadlines:**
Architectural Studies – January 20, 2026
Art – January 20, 2026
Dance – December 15, 2025
Design | Media Arts – December 15, 2025
World Arts and Cultures – December 15, 2025
- Most transfer applicants will be required to complete the major preparation courses at UCLA.

DANCE

Recommended preparation for the major:

- One course each in improvisation/choreography, dance history and theory.
- At least eight courses (approximately 12 semester/20 quarter units) in various dance techniques particularly modern/postmodern dance, hip-hop, West African or ballet and coursework focusing on using dance as a medium to connect and engage community.

DESIGN | MEDIA ARTS

Recommended preparation for the major:

- One course each in drawing, color theory, two-dimensional and three-dimensional form, digital media/computer design, programming for media arts, letterforms and typography, design history, design culture, and interactivity and media arts.

WORLD ARTS AND CULTURES

Preparation for the major:

- All preparatory coursework for the major should be completed at UCLA. Your individual interests related to the WAC major can be shown through your IGETC/CalGETC coursework selection. Substitutions for lower-division requirements will be determined by the department in the summer following admission. Syllabi or other descriptive course documentation may be required for consideration.

HERB ALPERT SCHOOL OF MUSIC

schoolofmusic.ucla.edu
admissions@schoolofmusic.ucla.edu | (310) 825-4761

ETHNOMUSICOLOGY

MUSIC COMPOSITION

MUSIC PERFORMANCE

MUSIC INDUSTRY

GLOBAL JAZZ STUDIES

MUSIC EDUCATION

MUSICOLOGY

- SEL** All majors are highly selective
- !** You must be admitted directly to the school of music

The UCLA Herb Alpert School of Music aspires to educate students through productive collaborations between performance and scholarship, a cross-cultural, global understanding of music, and preparatory training for a broad range of careers in music following graduation.

ETHNOMUSICOLOGY

Recommended preparation for the major:

- A one-year comprehensive music theory course sequence, incorporating musicianship (ear training and sight singing), as well as keyboard skills; or one year of music theory and one year of musicianship (ear training and sight singing)
- Two years of participation in a large performance group such as orchestra, choir, world music ensemble, or wind ensemble

GLOBAL JAZZ STUDIES

Recommended preparation for the major:

- A one-year comprehensive music theory course sequence, incorporating musicianship (ear training and sight singing), as well as keyboard skills; or one year of music theory and one year of musicianship (ear training and sight singing)
- One to two years of applied jazz studio instruction (private lessons)

MUSIC COMPOSITION B.A.

MUSIC EDUCATION B.A.

MUSIC PERFORMANCE B.M.

Recommended preparation for Music Composition, Music Performance and Music Education majors:

- A one-year comprehensive music theory course sequence, incorporating musicianship (ear training and sight singing),

KEY POINTS

- **Minimum GPA: 3.2**
- **IGETC/CalGETC Required: No**, but strongly encouraged
- **Double major possible: Yes**, depending on major
- **Supplemental application required: Yes**, a supplemental application and an audition and/or interview are required for all School of Music majors. Visit app.getaccepted.com/herbalpert to view the supplemental application.
- **Supplemental application deadline:**
December 5, 2025

- as well as keyboard skills; or one year of music theory and one year of musicianship (ear training and sight singing)
- Two years of applied studio instruction on a primary instrument or in voice (private lessons)
 - Two years of participation in a large performance group, such as orchestra, choir, or wind ensemble

MUSICOLOGY B.A.

Recommended preparation for the major:

- A one-year comprehensive music theory course sequence, incorporating musicianship (ear training and sight singing), as well as keyboard skills; or one year of music theory and one year of musicianship (ear training and sight singing)
- One year of participation in a large performance group, such as orchestra, choir, or wind ensemble

MUSIC INDUSTRY B.A.

Recommended preparation for the major:

- Two quarters of musicianship or music theory training that provide a general introduction to music in technological era of mass culture and music theory for the global 21st century music professional
- Two quarters of study in finance and accounting that covers how money works in both nonprofit and for-profit music industries, including practical management of funds, budgeting, fee scales, servicing agreements, issues pertaining to trade unions, and various modes of accounting for salary, royalties, local and international taxation, streaming revenues, licensing payments, and other income and expenditure

SAMUELI SCHOOL OF ENGINEERING

samueli.ucla.edu

ugradadm@seas.ucla.edu | (310) 825-9442

Applicants to the Samueli School of Engineering must have a **minimum 3.4 GPA** at the time of application to be considered for admission and by the time of entrance must have attained junior standing (60 semester/90 quarter units) and **completed preparation for the selected major**. The Samueli School of Engineering offers the following undergraduate majors in the table below. Please note that admission to the Samueli School of Engineering is highly selective.

SEL All majors are highly selective

! You must be admitted directly to the School of Engineering

KEY POINTS

- **Minimum GPA: 3.4**
- **IGETC/CalGETC Required: No**, partial not accepted
- **Double major possible: Yes**, students may double major only if the second major is outside the School of Engineering and must be approved by the other major/college.
- **Supplemental application required: No**

ADDITIONAL COURSES: Applicants to majors in the Samueli School of Engineering must complete at least one course from the humanities or social sciences for UC eligibility and are encouraged to complete up to four courses in those areas and one life science elective. (Completion of IGETC/CalGETC or UC Reciprocity is not required for entrance to these majors; partial IGETC/CalGETC will not be accepted.) Students may satisfy core requirements by completing engineering courses in statics, dynamics, strength of materials, properties of materials, and circuit analysis, depending on their major.

SCHOOL OF NURSING

nursing.ucla.edu

admissions@sonnet.ucla.edu | (310) 825-3109

- SEL** This major is highly selective
- !** You must be admitted directly to the school of nursing

The UCLA School of Nursing offers a prelicensure baccalaureate program leading to the Bachelor of Science degree. Applicants to the School of Nursing must fill out the **UC Application** and a **supplemental application**. The prelicensure nursing degree program is intended to prepare entry-level nurses to care for patients at the bedside. The program has been developed according to the principles of primary, secondary and tertiary prevention, moving from a systems population-based approach to a cohort-based or unit-based perspective, and culminating with an intense focus on individual-level of care. Strong emphasis will be placed on clinical leadership and critical thinking skills. The School of Nursing offers a two-year and three-year program.

KEY POINTS

- **Minimum GPA: 3.5**
- **IGETC/CalGETC Required: Yes**, partial not accepted
- **Double major possible: No**
- **Supplemental application required: Yes**
- **Supplemental application deadline:** January 15, 2026

NURSING B.S. PRELICENSURE

Applicants must complete the following course requirements for the Prelicensure Nursing program with grades of C or better:

Required courses:

- One year of general biology (cellular and molecular)
- One year of general chemistry
- Organic chemistry
- Human anatomy with lab
- Human physiology with lab

Strongly recommended courses:

- Introductory or general microbiology
- Introductory psychology
- Introduction to communication or speech
- Calculus for life science or with analytic geometry

SCHOOL OF THEATER, FILM AND TELEVISION

tft.ucla.edu | (310) 206-8441

Film & Television: filmundergrad@tft.ucla.edu

Theater: theaterundergrad@tft.ucla.edu

- SEL** All majors are highly selective
- !** You must be admitted directly to the school of theater, film and television

The School of Theater, Film and Television offers undergraduate majors in **Theater** and in **Film and Television**. Both majors provide a comprehensive introduction to the history, theory, and practice of these art forms within the context of a liberal arts education.

Undergraduates in theater study the history of world and American theater, contemporary theater issues, acting and performance, playwriting and analysis, design, directing, theater production, and complete a sequence of advanced courses in an emphasis along with a capstone project. Undergraduates in film and television study the history of film and television, screenwriting, animation, film and television production, including cinematography, editing, directing the camera, and digital media and tools. Undergraduates complete a senior concentration in one area of specialization and a professional internship.

FILM AND TELEVISION

Additional admission requirements include a personal essay, a critical essay, a creative writing sample, a life challenge essay and two letters of recommendation. Films, DVDs, and links are not accepted. Prior experience is not required. **Note: Transfer students cannot change to the Film and Television major after admission to UCLA.** Additional information may be found at www.tft.ucla.edu/filmba.

Recommended preparation for the major:

- One course in theater
- Completion of the School of Theater, Film and Television's foreign language requirement before arriving at UCLA is strongly encouraged but not required

KEY POINTS

- **Minimum GPA: 3.2**
- **IGETC/CalGETC Required: Yes**
- **Double major possible: No**
- **Supplemental application required: Yes**
- **Supplemental application deadlines:**
 - Theater – December 9, 2025
 - Film and Television – January 13, 2026

THEATER

Applicants interested in the theater major must choose one of the following areas on the UC Application: Acting, Design/Production, Musical Theater, or Integrated Studies. Students interested in Directing or Playwriting should apply via Integrated Studies. Those interested in Stage Management should select Design/Production. In addition to the general UC Application, a supplemental application is required. This includes materials such as a photo, writing samples, transcripts, resumes, etc. Applicants will be contacted **ONLY** if more information is needed and an interview will be required. **Note: Transfer students cannot change to the Theater major after admission to UCLA.** Additional information may be found at: www.tft.ucla.edu/theaterba.

Recommended preparation for the major:

- Acting, design, play analysis, or theater history

LUSKIN SCHOOL OF PUBLIC AFFAIRS

luskin.ucla.edu/undergrad

undergraduateinfo@luskin.ucla.edu | (310) 794-4080

PRE Pre-major: Students are classified as such until lower-division preparation courses are completed at UCLA

! You must be admitted directly to the school of public affairs

Developing Leaders Engaged in Social Change

The B.A. in Public Affairs offers an in-depth and engaged educational experience with a clear public service ethos, centered around a multidisciplinary foundation in the social sciences and an applied emphasis on knowledge and methods for improving society.

Students in the major study a range of substantive topics related to public policy, urban planning and social welfare. During their senior year, students connect the dots between theory and action by completing a three-quarter experiential learning program that combines a year-long internship in a community or government organization with a seminar series in which students develop a capstone project.

KEY POINTS

- Minimum GPA: 3.2
- IGETC/CalGETC Required: No, but strongly encouraged
- Supplemental application required: No
- Double major possible: Yes

PUBLIC AFFAIRS B.A.

To be competitive, applicants should complete the major preparation courses outlined below with a minimum B grade in each course. AP/IB exams will NOT be accepted to satisfy major preparation.

Major preparation requirements

- Microeconomics*
- Statistics*

Two additional courses from:

- Introduction to American politics
- Comparative politics
- Introduction to political theory
- Lifespan human development or child and adolescent development

*Must be completed by end of fall before transfer

NOTE: You must be admitted as a Public Affairs pre-major. You will NOT be able to change into this major after admission to UCLA. This major is listed under The UCLA College in the UC Application and the Luskin School has the same general education requirements as The UCLA College.

SCHOOL OF EDUCATION AND INFORMATION STUDIES

seis.ucla.edu

edmajor@seis.ucla.edu | (310) 825-8326

- PRE** Pre-major: Students are classified as such until lower-division preparation courses are completed at UCLA
- *** Applicants must demonstrate sincere and significant interest in the major throughout the application (i.e. PIQ responses, comment section, activities, employment, etc.)

The undergraduate major in **Education and Social Transformation** prepares students to analyze current issues in education through a social justice lens and to emerge as effective advocates for positive change. The Department of Education is guided by a commitment to integrate theory and practice and to improve educational practice and policy.

The department is known as a leader in the study and practice of urban education, student testing and assessment, teacher and continuing education and development (particularly in urban, multi-ethnic environments), early childhood development, and issues of access, equity, and quality facing K-12 and higher education. Here, faculty and students work together to solve the most pressing issues facing education today. This collaborative, dynamic environment helps students develop the skills they need to become leading education professionals in the 21st century.

EDUCATION AND SOCIAL TRANSFORMATION

Transfer applicants interested in the Education and Social Transformation major should apply to the pre-major listed under The UCLA College in the UC application. Admitted transfer students must submit an additional application to the major and complete Education 10 or 11 and Education 35 during their first quarter at UCLA.

Major preparation requirements

Applicants must have a minimum cumulative 3.2 GPA in all transferable coursework at the end of the fall term prior to transfer. While there are no specific articulated major preparation courses at this time, students are encouraged to complete IGETC/CalGETC.

KEY POINTS

- Minimum GPA: 3.2
- IGETC/CalGETC Required: No, but strongly encouraged
- Double major possible: Yes
- Supplemental application required: No
